MEMORANDUM FOR: The Deputy Director of Central Intelligence
FROM : Presidential Briefing Coordinator
SUBJECT : Preparations for 26 September Presidential Briefing

1. Attached are sketches of the proposed briefings and backup material for each.
2. Western Sahara. NIO/NESA feels that [] will carry most of the load in preparing the briefing and so he will not be overloaded by this assignment. I think that when fleshed out this will be a good briefing.
3. Cuban Foreign Policy. [] sketch is too much a descriptive piece and not enough an analytic piece. I have asked him to try to bring the determinants of Cuban policy into focus to provide a foundation for thinking about what we can expect in the future. He will try to do this by tomorrow. In the meantime I think this is worth your time to review.
